

Warranty Registration for Legra Wet-End

Complete this section and forward to Legra upon installation of the Wet End on the pump to register the pump warranty *

Fax to : 07 4942 3868 or

Email to: info@legra.com.au

Customer:			
Wet-end Serial No:		Date of Installation	
Highwall Pump Serial No	HW6000-	Highwall Pump Hours at installation:	

Notes:

Wet-End Serial No is found stamped on the Bearing Housing of the Wet-End, and starts with an S or B

Date of Installation is the date the wet-end is installed on a Highwall Pump unit

Highwall Pump Serial No is the serial number of the highwall, found on the canopy over the engine bay

Highwall Pump Hours at installation is the hour meter reading on the meter found in the control panel.

The hours at the time of installation is required to determine the life of the wet-end

*Failure to complete this form and send to Legra immediately upon installation of the Wet End will result in the warranty being null and void.
